Frederic Leake / Ena

Dear Mr. Leake:

I sincerely appreciate your kind letter of June 17 and the editorial from the **NASHVILLE BANNER**.

I well remember my visit to Jerry Lambert's luncheon and your headquarters only a year ago. I know that this was one of Foster's vivid remembrances. The establishment of the Diplomatic Library at Princeton under his name will continue to associate him with the University of which he was so fond.

Sincerely,

SIGNED
